Trip to Cornwall Sunday 8 April - Saturday 14 April 2018

15 Carriage Mews, Westgate Canterbury CT2 8AL

Dear Friends,

Following a day devoted to Cornish Art earlier this year (The Day of Special interest with Catherine Wallace was held on 16 Feb 2017) several members expressed an interest in a visit to Cornwall but not in winter. Easter 2018 is earlier than usual (Easter Monday is 2 April) thus members may have commitments with family or friends especially during Easter itself.

Please phone me for the proposed itinerary. If you are interested in joining a group of friends, based in Falmouth, with five day visits included to local places of interest with an emphasis on the fine arts, do join us.

Transport will be by coach rather than by train. The coach will be available for local visits throughout the week for our exclusive use. Prior to the visit there will be an opportunity to meet and share information, priorities, knowledge of Cornwall or concerns.

Numbers will be limited to members who respond on a "first come" basis. Further details of the hotel, costs, local amenities or walks will follow.

It would be useful to know of members who are willing to share a double/twin room as availability of single rooms is limited and single rooms incur an extra charge.

There are costs we need to meet - administration, gratuities, entrance fees and literature - which will involve a £100 per person charge payable to SCDFAS. This is in addition to the costs of the payments to Tailored Travel whose deposit can be made once numbers have been confirmed.
